

Understanding the
The Five Dysfunctions of a Team
in today's chaotic climate

FEEL BETTER. PERFORM BETTER
TALKS WORKSHOPS CONSULTANCY

45-minute keynote

Are you ready to ignite a transformative spark within your organisation? Following my Laws of Effective Teamwork talk, this talk delves deeper into the five dysfunctions of teams, sharing ideas that will transform your teams into more productive and collaborative teams that can gain a distinct advantage over competitors. This dynamic and eye-opening 45-minute keynote promises to elevate your team's performance, productivity, and overall well-being.

WHY THIS KEYNOTE MATTERS

In today's world, collaboration is critical, whether on a sports field, in a boardroom, or navigating the intricate business landscape. But what secrets turn ordinary teams into extraordinary ones? Join me, Roberto, as I delve into captivating stories and real-world experiences working with top performers and teams in sports and business.

UNLOCK THE POWER OF TEAM DYNAMICS

Have you ever wondered how a football team can dramatically boost its point return from 23% to 78%? Or how an individual athlete can achieve unparalleled success when surrounded by the right team? Discover the hidden treasures of teamwork and explore the incredible transformations that can occur when the right strategies are applied.

REAL-LIFE SUCCESS STORIES

From my involvement with Premier League teams to crafting "Team Murray" alongside Andy Murray's journey to world No. 1 or assisting Derek Chisora in his epic showdown against Tyson Fury, my talk is a treasure trove of inspiring narratives. These stories aren't just about sports; they're about how lessons from elite-level success can empower individuals and teams across all facets of life.

WHO NEEDS THIS KEYNOTE?

Forward-thinking leaders and team members seek to improve performance and well-being, and organisations are committed to supporting employees in dealing with life and work stressors.

Individuals who are striving for enhanced life satisfaction and *happiness*. Companies aiming to boost customer satisfaction, reduce turnover, and increase profitability.

WHAT WILL ATTENDEES LEARN?

Prepare to absorb clear and actionable principles used by elite teams and businesses. These tried-and-true methods will empower your people and teams to perform better and feel better—creating a harmonious blend that's invaluable for any organisation.

FOLLOW-UP ACTIVITY

Are you looking to take the insights further? We offer follow-up workshops, individual consultations, and leadership sessions tailored to your needs. These personal and professional development opportunities will help your organisation and team members put the lessons from the keynote into practice, paving the way for a more productive and prosperous future.
